MEMORANDUM FOR: Director of Personnel

SUBJECT: Exception for Project AQUATONE Personnel Clearance  
through DD/P in Central Processing Branch Procedure

As an extension of a previous understanding between the Director, the Chief, FI, and the undersigned, it would be appreciated if you would take appropriate action for reasons of operational security to arrange for the clearance of Project AQUATONE personnel through the Central Processing Branch without reference to DD/P as required by current regulations.

RICHARD M. HISSLELL, JR.  
Project Director
